

CONFERENCE DIARY 2025

January 2025

27–30

Non-Coding RNA Biology: New Roles and Diversity

Keystone, Colorado, USA

Website: <https://www.keystonesymposia.org/conferences/conference-listing/meeting/J62025>

27–30

RNA Mediated Regulation of Immunity: Mechanism, Disease and Therapeutics

Keystone, Colorado, USA

Website: <https://www.keystonesymposia.org/conferences/conference-listing/meeting/J52025>

28–30

6th RNAi-Based Therapeutics Summit

Boston, Massachusetts, USA

Website: <https://rnaibased-therapeutics.com>

28–30

Advancing First & Best-In-Class mRNA Vaccines & Therapies from Concept to Commercialisation with Targeted Delivery, Better Tolerability & Clinical Safety to Combat All Diseases

Frankfurt, Germany

Website: <https://mrnabased-therapeutics-europe.com>

February 2025

10–11

RNA Therapeutics (Advancing the Next Generation of Genetic Medicine Through RNA Based Therapies)

London, UK

Website: <https://www.smgconferences.com/pharmaceuticals/uk/conference/rna-therapeutics>

25–27

mRNA Analytical Development Summit

Boston, Massachusetts, USA

Website: <https://mrna-analytical-development.com>

March 2025

4–6

RNA Leaders Europe

Basel, Switzerland

Website: <https://informaconnect.com/rna-leaders-europe>

6–8

2025 RNA Symposium, Umich

Michigan, USA

Website: <https://rna.umich.edu/events-navigation/2025-symposium>

11–12

Oligonucleotide Discovery & Delivery

Boston, Massachusetts, USA

Website: <https://www.optcongress.com/oligo-discovery>

12–14

Oligonucleotides Congress (NextGen Biomed)

London, UK

Website: <https://oxfordglobal.com/nextgen-biomed>

19–22

Nucleic Acid Therapies

New York, USA

Website: <https://meetings.cshl.edu/meetings.aspx?meet=NAT>

26–27

DNA Process Development and Manufacturing Summit

Boston, Massachusetts, USA

Website: <https://dna-process-development-manufacturing.com>

April 2025

3–4

2025 National Cancer Institute RNA Biology Symposium

Bethesda, Maryland, USA

Website: <https://irp.nih.gov/news-and-events/events/2025/2025-national-cancer-institute-rna-biology-symposium>

14–17

RNA-Modulating Small Molecule Drugs

San Diego, California, USA

Website: <https://www.drugdiscoverychemistry.com/rna-small-molecule>

16–17

Oligo 2025 Oxford

Oxford, UK

Website: <http://lpmhealthcare.com/oligo-2025-oxford>

23–25

World DNA Day

Nara, Japan

Website: <http://www.dnaday.com/2025>

27–30

DNA Replication Gaps, Cancer and Disease

Daejeon, South Korea

Website: <https://www.keystonesymposia.org/conferences/conference-listing/meeting/D52025>

May 2025

6–8

mRNA Process Development & Manufacturing Summit (Enhance Speed, Purity & Scalability of Your Process Development & Manufacturing to Improve Functionality, Efficacy & Approval Rate of mRNA Drugs Across All Disease Indications)
Berlin, Germany

Website: <https://mrna-processandmanufacturing-europe.com>

7–9

Next Generation RNA Therapeutics Summit
Boston, Massachusetts, USA

Website: <https://www.next-gen-rna.com>

7–9

Microsymposium on RNA Biology
Vienna, Austria

Website: <https://www.oeaw.ac.at/imba/seminars-events/microsymposium>

12–16

PEGS Boston
Boston, Massachusetts, USA

Website: <https://www.pegsummit.com>

13–14

Tides of Innovation
Amsterdam, Netherlands

Website: <https://imapac.com/events/tides-of-innovation-2025>

19–22

Biosensors 2025
Lisbon, Portugal

Website: <https://www.sciencedirect.com/journal/sensing-and-bio-sensing-research/about/conferences/biosensors-2025>

19–22

TIDES USA
San Diego, California, USA

Website: <https://informaconnect.com/tides>

27–June 1

30th Annual Meeting of the RNA Society
San Diego, California, USA

Website: <https://www2.rnasociety.org>

28–29

4th Circular and Self-Amplifying RNA Therapeutics Summit 2025
Boston, Massachusetts, USA

Website: <https://www.rsc.org/events/detail/81204/4th-circular-and-self-amplifying-rna-therapeutics-summit-2025>

31–June 6

gROUNDbreaking approaches for advancing circRNA research: detection, function, therapeutics
Trento, Italy

Website: <https://coming-soon.embo.org/pc25-05>

June 2025

9–10

Oligonucleotide Therapeutics and Delivery Conference

Rome, Italy

Website: <https://oligo-nucleotide.com>

9–11

International Oligonucleotides and Peptides Conference

Prague, Czechia

Website: <https://www.iopc-tks.com>

11

New Modalities: Innovations in RNA Therapeutics

London, UK

Website: <https://www.soci.org/events/fine-chemicals-group/2025/new-modalities-innovations-in-rna-therapeutics>

16–17

3rd Global Online Summit on Nanoscience and Nanotechnology

Zurich, Switzerland

Website: <https://nanoscience.insightconferences.com/events-list/dna-nanotechnology>

22–27

DNA and RNA: Chemistry, Mechanistic Biology, Cellular Processing Machinery, and Applications

Lucca, Italy

Website: <https://www.grc.org/nucleic-acids-conference/2025>

24–26

4th Annual Extra-Hepatic Lipid-Based Nanoparticles Delivery

Boston, Massachusetts, USA

Website: <https://lipid-nanoparticle-delivery-summit.com/>

25–27

RNA Therapeutics: From Concept to Clinic

Worcester, Massachusetts, USA

Website: <https://www.umassmed.edu/RNATx>

27–30

The 12th Conference on DNA Nanotechnology

Chengdu, China

Website: <https://www.dna2025.com/En/Default>

29–July 2

Targeting the DNA Damage Response for Cancer Therapeutics Conference

Lisbon, Portugal

Website: <https://www.fusion-conferences.com/conference/177>

July 2025

TBD

Oligonucleotides for CNS Summit

Boston, Massachusetts, USA

Website: <https://oligonucleotides-cns.com/take-part/register/>

4–7

8th Nucleic Acids Conference

Lisbon, Portugal

Website: <https://www.fusion-conferences.com/conference/176>

15–16

ICRNAB 2025: 19. International Conference on RNA Biology

Stockholm, Sweden

Website: <https://waset.org/rna-biology-conference-in-july-2025-in-stockholm>

21–23

mRNA-Based Therapeutics Summit

Boston, Massachusetts, USA

Website: <https://mrnabased-therapeutics.com>

August 2025

TBD

Oligonucleotide CMC & Analytical Development Summit

Boston, Massachusetts, USA

Website: <https://oligos-cmc-analytical-development.com/>

12–16

Genome Engineering: CRISPR Frontiers 2025

Cold Spring Harbor Laboratory, New York, USA

Website: <https://meetings.cshl.edu/meetings.aspx?meet=CRISPR>

September 2025

TBD

Your Roadmap for mRNA Process Development & Manufacturing with Optimized Purification, Process Analytics & Enhanced Formulation to Improve Cost-Effectiveness & Scalability into the Clinic & Beyond

Quebec, Canada

Website: <https://mrna-processandmanufacturing.com>

10–11

Nucleic Acids & CRISPR

Dubai, UAE

Website: <https://nucleicacids.sciencezoplanet.com>

17–20

Cambridge Symposium on Nucleic Acids Chemistry and Biology

Cambridge, UK

Website: <https://www.rsc.org/events/detail/77959/8th-cambridge-symposium-on-nucleic-acids-chemistry-and-biology>

18–20

ECBB (Euro-Globl Conference on iotechnology and Bioengineering)

London, UK

Website: <https://biotechnology-conferences.magnusgroup.org/program/scientific-sessions/nucleic-acid-therapeutics>

21–25

The Future of RNA Technology

Quebec, Canada

Website: <https://home.riboclub.org/annual-meeting/#upcoming>

25–26

Inhaled & Nasal Biologics/DNA Forum

Cambridge, UK

Website: <https://www.intertek.com/pharmaceutical/events/inhaled-nasal-biologics-dna-forum>

October 2025

TBD

RNA Vaccines and Therapeutics Conference
London, UK

Website: <https://www.uk-cpi.com/rna-vaccines-and-therapeutics-conference-2025>

TBD

Exosome-based therapeutic development summit
Boston, Massachusetts, USA

Website: <https://exosomebased-therapeutics.com>

5–9

RNA Processing in Cancer: From Bench to Bedside
Sacramento, California

Website: <https://events.faseb.org/event/857a094f-489f-4eb5-80d2-a9356c27af14/home>

17–18

International Conference on Molecular Biology and Nucleic Acids: Advances, Innovation and Extension and Elaboration of Molecular Biology and its Various Aspects
London, UK

Website: <https://www.stevejacksonlab.org/conferences/2024/2/14/6th-dna-repairreplication-se>

19–22

Annual Meeting of the Oligonucleotide Therapeutics Society
Budapest, Hungary

Website: <https://www.oligotherapeutics.org/2024-annual-meeting/>

November 2025

11–13

TIDES Europe
Basel, Switzerland

Website: <https://informaconnect.com/tides-europe>

11–13

12th International mRNA Health Conference
Berlin, Germany

Website: <https://www.mrna-conference.com/>

18–20

LNP Characterization & Analytical Development Summit
Boston, Massachusetts, USA

Website: <https://lnp-characterization-analytical-development.com/>
